

SMC "DISCOUNT" Card Participating Vendors and Offers

(for your individual purchases) For updates go to smccard.com

Student Management Corp. your not-for-profit, student owned purchasing cooperative, has helped your chapter save money since 1971. Now, they are bringing their cost saving from the chapter level to the individual member- you!

Introducing the **SMC Discount Card**, the next step in helping you save money collectively. Using the card will allow you to get personal discounts and deals from many of the SMC vendors. Best of all, it's completely free to SMC members.

To use the card simply show the **SMC Discount Card** to a participating vendor when you purchase items at their store. For deliveries, let them know that you're a card member when ordering, then show the card when paying.
